

for patients and people in our local communities

Help us to provide emergency clothing parcels to people in need in our local communities.

To support this project, we urgently need your donations.

Please supply items from this list:

- Trousers/skirts
- Tops (both long and short-sleeved)
- Jumpers
- Coats
- Basic (new) underwear for men and women
- Shoes

We ask that your donations of clothes are respectful in their design, are clean and not damaged, and don't contain any offensive slogans.

Your donations will help keep vulnerable people warm and clean at a time of crisis. Thank you.
