## 1. Introduction to this report

This report presents the findings of the 2014 national NHS staff survey conducted in University Hospitals Birmingham NHS Foundation Trust.

In section 2 of this report, we present an overall indicator of staff engagement. Full details of how this indicator was created can be found in the document ***Making sense of your staff survey data***, which can be downloaded from [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com).

In sections 3 to 6 of this report, the findings of the questionnaire have been summarised and presented in the form of 29 Key Findings.

These sections of the report have been structured around 4 of the seven pledges to staff in the NHS Constitution which was published in March 2013 (<http://www.nhs.uk/choiceintheNHS/Rightsandpledges/NHSConstitution>) plus three additional themes:

- Staff Pledge 1: To provide all staff with clear roles and responsibilities and rewarding jobs for teams and individuals that make a difference to patients, their families and carers and communities.
- Staff Pledge 2: To provide all staff with personal development, access to appropriate education and training for their jobs, and line management support to enable them to fulfil their potential.
- Staff Pledge 3: To provide support and opportunities for staff to maintain their health, well-being and safety.
- Staff Pledge 4: To engage staff in decisions that affect them and the services they provide, individually, through representative organisations and through local partnership working arrangements. All staff will be empowered to put forward ways to deliver better and safer services for patients and their families.
- Additional theme: Staff satisfaction
- Additional theme: Equality and diversity
- Additional theme: Patient experience measures

Please note that the NHS pledges were amended in 2014, however the report has been structured around 4 of the pledges which have been maintained since 2009. For more information regarding this please see the “Making Sense of Your Staff Survey Data” document.

As in previous years, there are two types of Key Finding:

- percentage scores, i.e. percentage of staff giving a particular response to one, or a series of, survey questions
- scale summary scores, calculated by converting staff responses to particular questions into scores. For each of these scale summary scores, the minimum score is always 1 and the maximum score is 5

Responses to the individual survey questions can be found in Appendix 3 of this report, along with details of which survey questions were used to calculate the Key Findings.

## Your Organisation

The scores presented below are un-weighted question level scores for questions Q12a - 12d and the un-weighted score for Key Finding 24. The percentages for Q12a – Q12d are created by combining the responses for those who “Agree” and “Strongly Agree” compared to the total number of staff that responded to the question.

Q12a, Q12c and Q12d feed into Key Finding 24 “Staff recommendation of the trust as a place to work or receive treatment”.

		Your Trust in 2014	Average (median) for acute trusts	Your Trust in 2013
Q12a	"Care of patients / service users is my organisation's top priority"	81	70	81
Q12b	"My organisation acts on concerns raised by patients / service users"	81	71	81
Q12c	"I would recommend my organisation as a place to work"	70	58	75
Q12d	"If a friend or relative needed treatment, I would be happy with the standard of care provided by this organisation"	82	65	82
KF24.	Staff recommendation of the trust as a place to work or receive treatment (Q12a, 12c-d)	3.97	3.67	4.04

## 2. Overall indicator of staff engagement for University Hospitals Birmingham NHS Foundation Trust

The figure below shows how University Hospitals Birmingham NHS Foundation Trust compares with other acute trusts on an overall indicator of staff engagement. Possible scores range from 1 to 5, with 1 indicating that staff are poorly engaged (with their work, their team and their trust) and 5 indicating that staff are highly engaged. The trust's score of 3.86 was in the **highest (best) 20%** when compared with trusts of a similar type.

### OVERALL STAFF ENGAGEMENT

*(the higher the score the better)*

This overall indicator of staff engagement has been calculated using the questions that make up Key Findings 22, 24 and 25. These Key Findings relate to the following aspects of staff engagement: staff members' perceived ability to contribute to improvements at work (Key Finding 22); their willingness to recommend the trust as a place to work or receive treatment (Key Finding 24); and the extent to which they feel motivated and engaged with their work (Key Finding 25).

The table below shows how University Hospitals Birmingham NHS Foundation Trust compares with other acute trusts on each of the sub-dimensions of staff engagement, and whether there has been a change since the 2013 survey.

	Change since 2013 survey	Ranking, compared with all acute trusts
<b>OVERALL STAFF ENGAGEMENT</b>	• No change	✓ Highest (best) 20%
<b>KF22. Staff ability to contribute towards improvements at work</b> <i>(the extent to which staff are able to make suggestions to improve the work of their team, have frequent opportunities to show initiative in their role, and are able to make improvements at work.)</i>	• No change	✓ Above (better than) average
<b>KF24. Staff recommendation of the trust as a place to work or receive treatment</b> <i>(the extent to which staff think care of patients/service users is the Trust's top priority, would recommend their Trust to others as a place to work, and would be happy with the standard of care provided by the Trust if a friend or relative needed treatment.)</i>	• No change	✓ Highest (best) 20%
<b>KF25. Staff motivation at work</b> <i>(the extent to which they look forward to going to work, and are enthusiastic about and absorbed in their jobs.)</i>	• No change	✓ Above (better than) average

Full details of how the overall indicator of staff engagement was created can be found in the document ***Making sense of your staff survey data.***

### 3. Summary of 2014 Key Findings for University Hospitals Birmingham NHS Foundation Trust

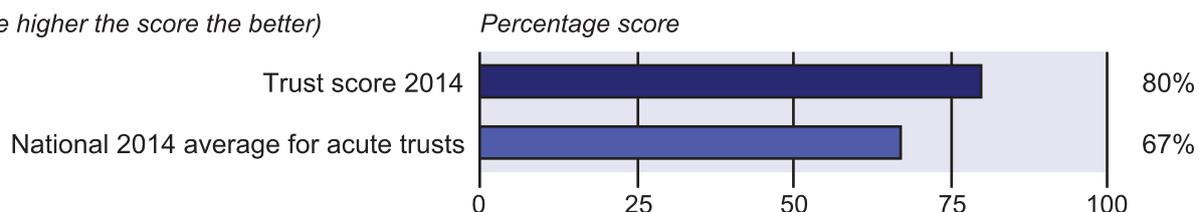

#### 3.1 Top and Bottom Ranking Scores

This page highlights the five Key Findings for which University Hospitals Birmingham NHS Foundation Trust compares most favourably with other acute trusts in England.

#### TOP FIVE RANKING SCORES

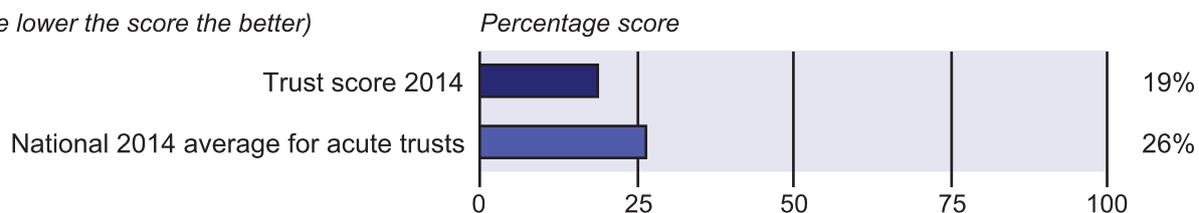

##### ✓ KF15. Percentage of staff agreeing that they would feel secure raising concerns about unsafe clinical practice

(the higher the score the better)

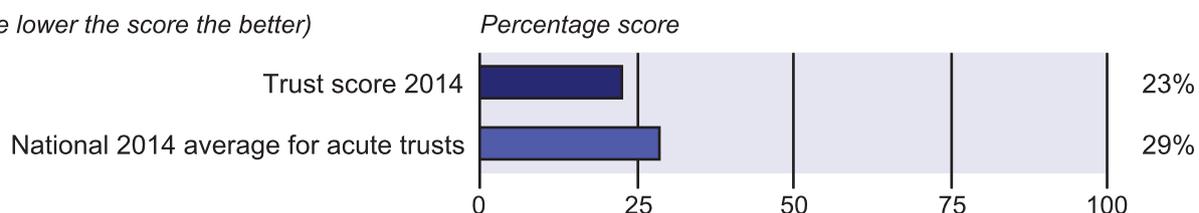

##### ✓ KF20. Percentage of staff feeling pressure in last 3 months to attend work when feeling unwell

(the lower the score the better)

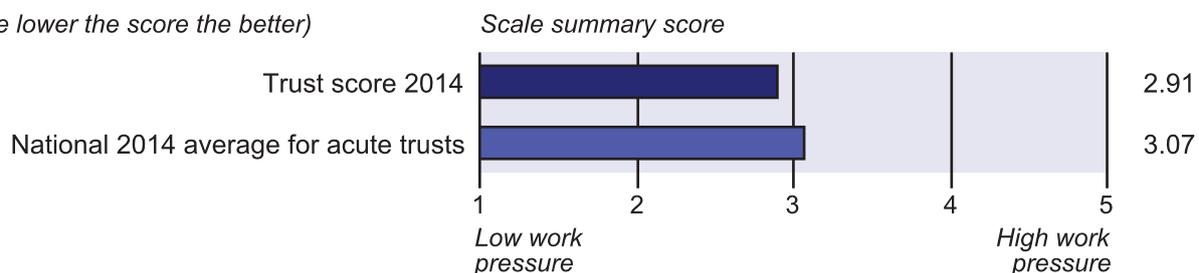

##### ✓ KF18. Percentage of staff experiencing harassment, bullying or abuse from patients, relatives or the public in last 12 months

(the lower the score the better)

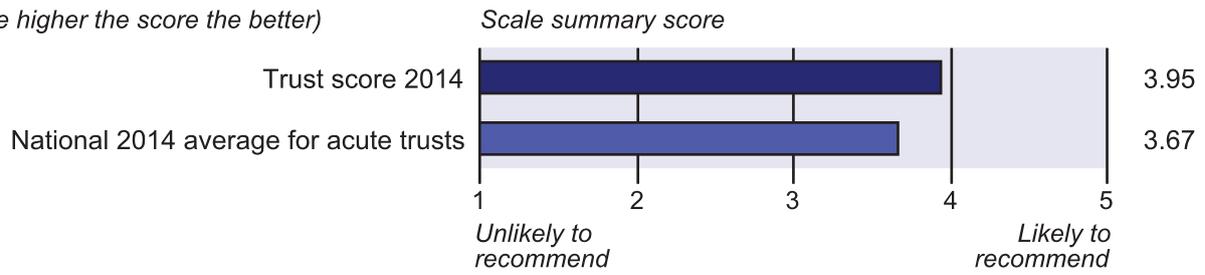

##### ✓ KF3. Work pressure felt by staff

(the lower the score the better)

✓ **KF24. Staff recommendation of the trust as a place to work or receive treatment**

(the higher the score the better)

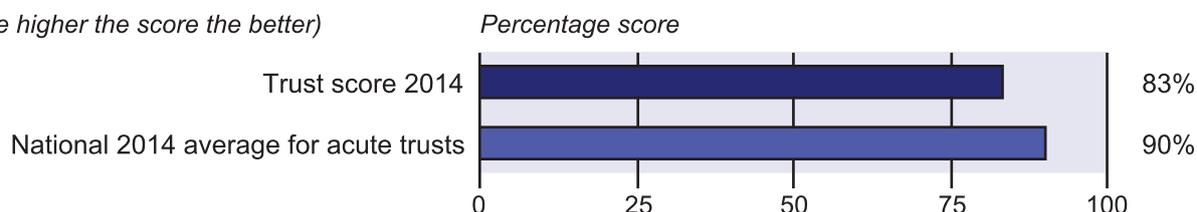

For each of the 29 Key Findings, the acute trusts in England were placed in order from 1 (the top ranking score) to 138 (the bottom ranking score). University Hospitals Birmingham NHS Foundation Trust's five highest ranking scores are presented here, i.e. those for which the trust's Key Finding score is ranked closest to 1. Further details about this can be found in the document ***Making sense of your staff survey data.***

This page highlights the five Key Findings for which University Hospitals Birmingham NHS Foundation Trust compares least favourably with other acute trusts in England. It is suggested that these areas might be seen as a starting point for local action to improve as an employer.

### BOTTOM FIVE RANKING SCORES

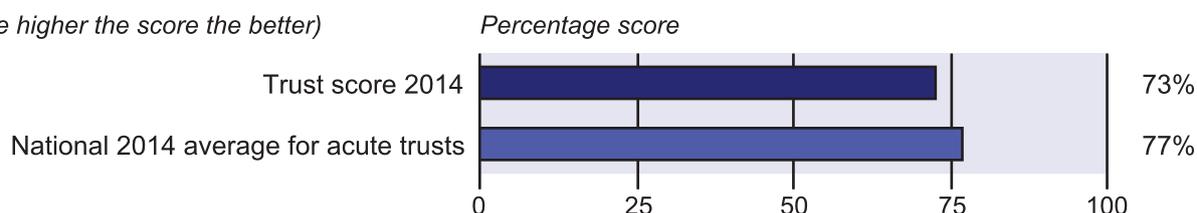

#### ! KF13. Percentage of staff reporting errors, near misses or incidents witnessed in the last month

(the higher the score the better)

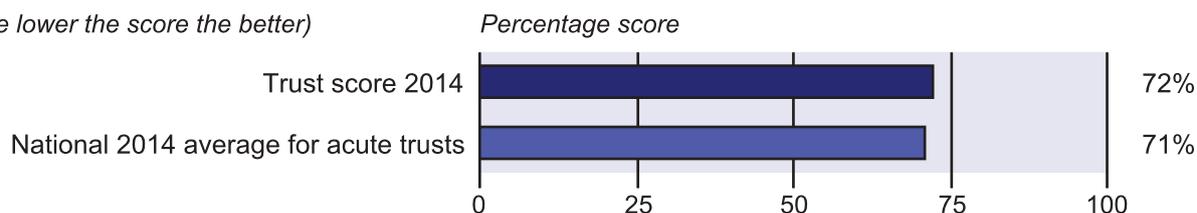

#### ! KF10. Percentage of staff receiving health and safety training in last 12 months

(the higher the score the better)

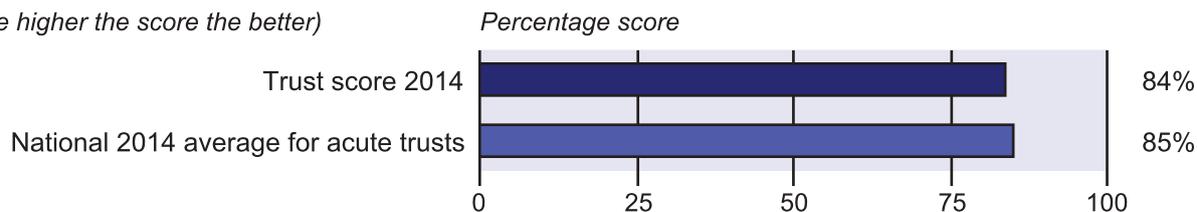

#### ! KF5. Percentage of staff working extra hours

(the lower the score the better)

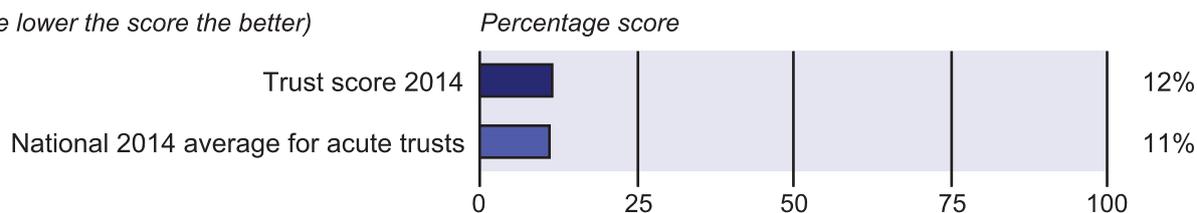

#### ! KF7. Percentage of staff appraised in last 12 months

(the higher the score the better)

#### ! KF28. Percentage of staff experiencing discrimination at work in last 12 months

(the lower the score the better)

For each of the 29 Key Findings, the acute trusts in England were placed in order from 1 (the top ranking score) to 138 (the bottom ranking score). University Hospitals Birmingham NHS Foundation Trust's five lowest ranking scores are presented here, i.e. those for which the trust's Key Finding score is ranked closest to 138. Further details about this can be found in the document *Making sense of your staff survey data*.

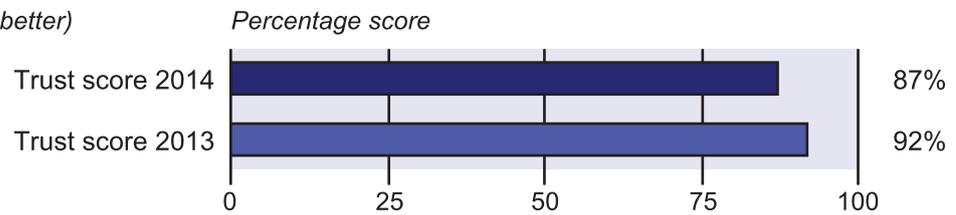

### 3.2 Largest Local Changes since the 2013 Survey

This page highlights the Key Finding that has deteriorated at University Hospitals Birmingham NHS Foundation Trust since the 2013 survey. It is suggested that this might be seen as a starting point for local action to improve as an employer.

#### WHERE STAFF EXPERIENCE HAS DETERIORATED

#### **! KF27. Percentage of staff believing the trust provides equal opportunities for career progression or promotion**

*(the higher the score the better)*

### 3.3. Summary of all Key Findings for University Hospitals Birmingham NHS Foundation Trust

#### KEY

Green = Positive finding, e.g. there has been a statistically significant positive change in the Key Finding since the 2013 survey.

Red = Negative finding, e.g. there has been a statistically significant negative change in the Key Finding since the 2013 survey.

Grey = No change, e.g. there has been no statistically significant change in this Key Finding since the 2013 survey.

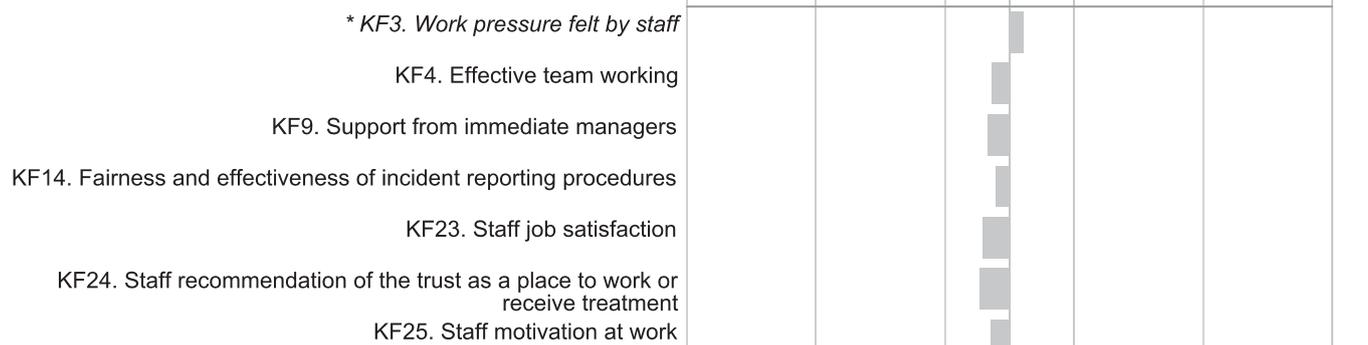

For most of the Key Finding scores in this table, the higher the score the better. However, there are some scores for which a high score would represent a negative finding. For these scores, which are marked with an asterisk and in *italics*, the lower the score the better.

#### Change since 2013 survey

-15%   -10%   -5%   0%   5%   10%   15%

-1.0   -0.6   -0.2   0.2   0.6   1.0

### 3.3. Summary of all Key Findings for University Hospitals Birmingham NHS Foundation Trust

#### KEY

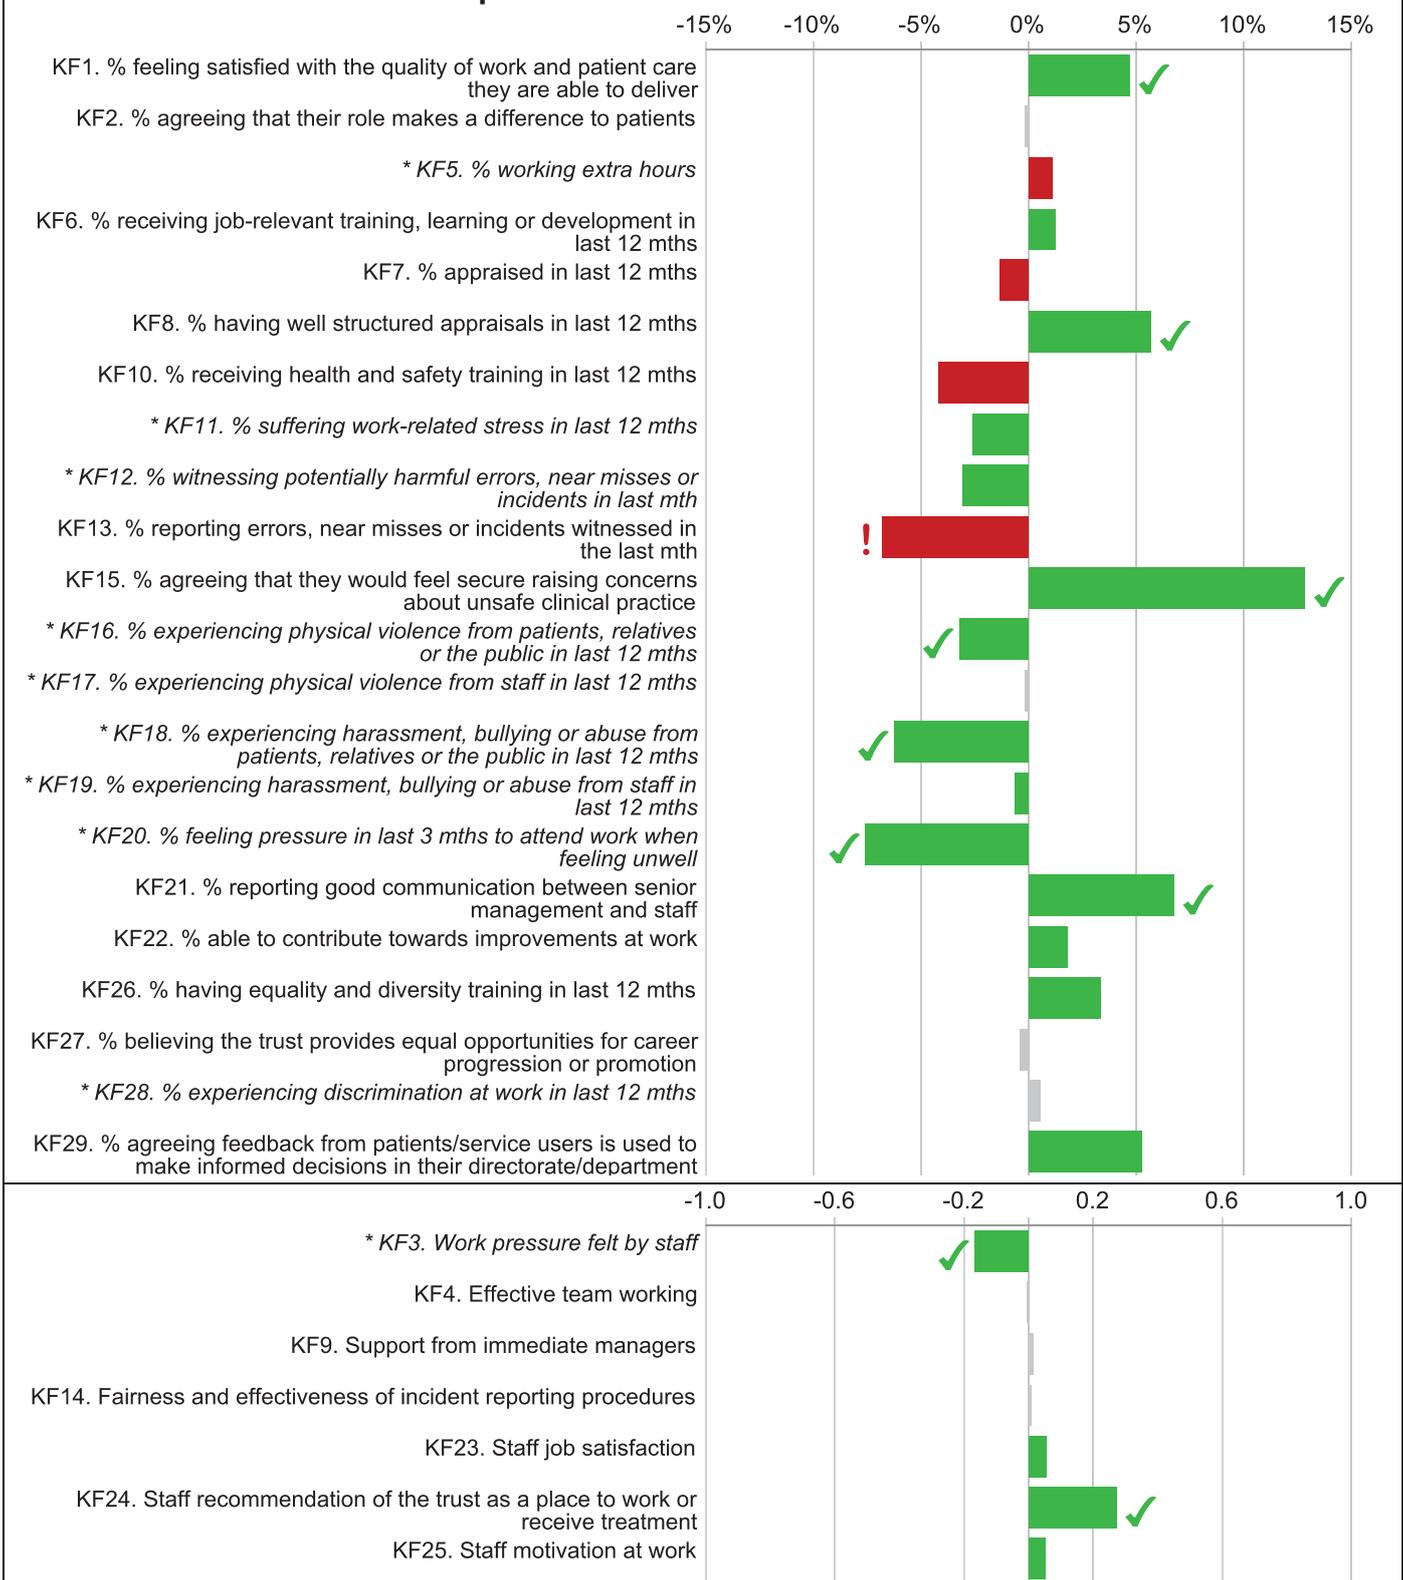

Green = Positive finding, e.g. better than average. If a ✓ is shown the score is in the best 20% of acute trusts

Red = Negative finding, e.g. worse than average. If a ! is shown the score is in the worst 20% of acute trusts.

Grey = Average.

For most of the Key Finding scores in this table, the higher the score the better. However, there are some scores for which a high score would represent a negative finding. For these scores, which are marked with an asterisk and in *italics*, the lower the score the better.

#### Comparison with all acute trusts in 2014

### 3.4. Summary of all Key Findings for University Hospitals Birmingham NHS Foundation Trust

#### KEY

✓ Green = Positive finding, e.g. in the best 20% of acute trusts, better than average, better than 2013.

! Red = Negative finding, e.g. in the worst 20% of acute trusts, worse than average, worse than 2013.

'Change since 2013 survey' indicates whether there has been a statistically significant change in the Key Finding since the 2013 survey.

-- Because of changes to the format of the survey questions this year, comparisons with the 2013 score are not possible.

\* For most of the Key Finding scores in this table, the higher the score the better. However, there are some scores for which a high score would represent a negative finding. For these scores, which are marked with an asterisk and in *italics*, the lower the score the better.

	Change since 2013 survey	Ranking, compared with all acute trusts in 2014
<b>STAFF PLEDGE 1: To provide all staff with clear roles, responsibilities and rewarding jobs.</b>		
KF1. % feeling satisfied with the quality of work and patient care they are able to deliver	• No change	✓ Highest (best) 20%
KF2. % agreeing that their role makes a difference to patients	• No change	• Average
* <i>KF3. Work pressure felt by staff</i>	• No change	✓ Lowest (best) 20%
KF4. Effective team working	• No change	• Average
* <i>KF5. % working extra hours</i>	• No change	! Above (worse than) average
<b>STAFF PLEDGE 2: To provide all staff with personal development, access to appropriate education and training for their jobs, and line management support to enable them to fulfil their potential.</b>		
KF6. % receiving job-relevant training, learning or development in last 12 mths	• No change	✓ Above (better than) average
KF7. % appraised in last 12 mths	• No change	! Below (worse than) average
KF8. % having well structured appraisals in last 12 mths	• No change	✓ Highest (best) 20%
KF9. Support from immediate managers	• No change	• Average
<b>STAFF PLEDGE 3: To provide support and opportunities for staff to maintain their health, well-being and safety.</b>		
<b>Occupational health and safety</b>		
KF10. % receiving health and safety training in last 12 mths	• No change	! Below (worse than) average
* <i>KF11. % suffering work-related stress in last 12 mths</i>	• No change	✓ Below (better than) average
<b>Errors and incidents</b>		
* <i>KF12. % witnessing potentially harmful errors, near misses or incidents in last mth</i>	• No change	✓ Below (better than) average
KF13. % reporting errors, near misses or incidents witnessed in the last mth	• No change	! Lowest (worst) 20%
KF14. Fairness and effectiveness of incident reporting procedures	• No change	• Average
KF15. % agreeing that they would feel secure raising concerns about unsafe clinical practice	--	✓ Highest (best) 20%

### 3.4. Summary of all Key Findings for University Hospitals Birmingham NHS Foundation Trust (cont)

	Change since 2013 survey	Ranking, compared with all acute trusts in 2014
<b>Violence and harassment</b>		
* KF16. % experiencing physical violence from patients, relatives or the public in last 12 mths	• No change	✓ Lowest (best) 20%
* KF17. % experiencing physical violence from staff in last 12 mths	• No change	• Average
* KF18. % experiencing harassment, bullying or abuse from patients, relatives or the public in last 12 mths	• No change	✓ Lowest (best) 20%
* KF19. % experiencing harassment, bullying or abuse from staff in last 12 mths	• No change	✓ Below (better than) average
<b>Health and well-being</b>		
* KF20. % feeling pressure in last 3 mths to attend work when feeling unwell	• No change	✓ Lowest (best) 20%
<b>STAFF PLEDGE 4: To engage staff in decisions that affect them, the services they provide and empower them to put forward ways to deliver better and safer services.</b>		
KF21. % reporting good communication between senior management and staff	• No change	✓ Highest (best) 20%
KF22. % able to contribute towards improvements at work	• No change	✓ Above (better than) average
<b>ADDITIONAL THEME: Staff satisfaction</b>		
KF23. Staff job satisfaction	• No change	✓ Above (better than) average
KF24. Staff recommendation of the trust as a place to work or receive treatment	• No change	✓ Highest (best) 20%
KF25. Staff motivation at work	• No change	✓ Above (better than) average
<b>ADDITIONAL THEME: Equality and diversity</b>		
KF26. % having equality and diversity training in last 12 mths	• No change	✓ Above (better than) average
KF27. % believing the trust provides equal opportunities for career progression or promotion	! Decrease (worse than 13)	• Average
* KF28. % experiencing discrimination at work in last 12 mths	• No change	• Average
<b>ADDITIONAL THEME: Patient experience measures</b>		
<b>Patient/Service user experience Feedback</b>		
KF29. % agreeing feedback from patients/service users is used to make informed decisions in their directorate/department	--	✓ Above (better than) average

## 4. Key Findings for University Hospitals Birmingham NHS Foundation Trust

467 staff at University Hospitals Birmingham NHS Foundation Trust took part in this survey. This is a response rate of 56%<sup>1</sup> which is in the highest 20% of acute trusts in England, and compares with a response rate of 60% in this trust in the 2013 survey.

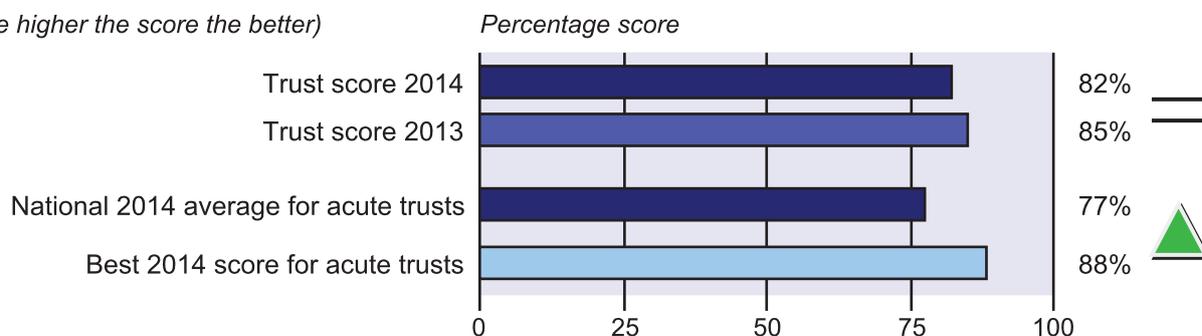

This section presents each of the 29 Key Findings, using data from the trust's 2014 survey, and compares these to other acute trusts in England and to the trust's performance in the 2013 survey. The findings are arranged under six headings – the four staff pledges from the NHS Constitution, and the three additional themes of staff satisfaction, equality and diversity and patient experience measures.

**Positive findings** are indicated with a **green arrow** (e.g. where the trust is in the best 20% of trusts, or where the score has improved since 2013). **Negative findings** are highlighted with a **red arrow** (e.g. where the trust's score is in the worst 20% of trusts, or where the score is not as good as 2013). An equals sign indicates that there has been no change.

### STAFF PLEDGE 1: To provide all staff with clear roles, responsibilities and rewarding jobs.

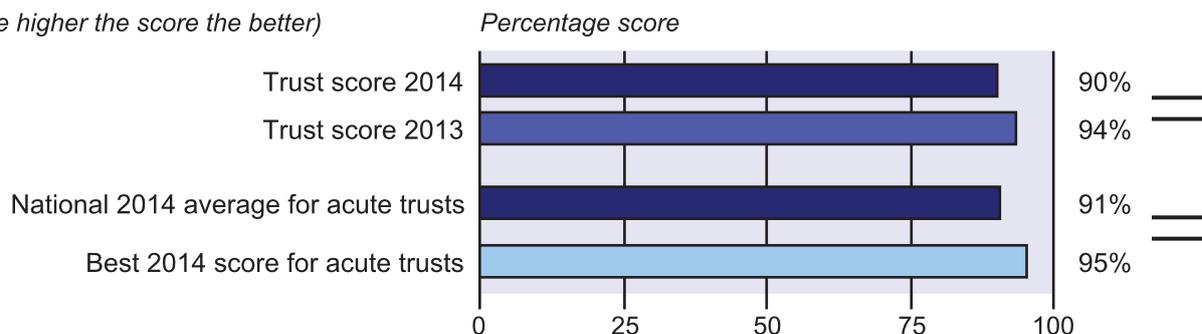

#### KEY FINDING 1. Percentage of staff feeling satisfied with the quality of work and patient care they are able to deliver

(the higher the score the better)

#### KEY FINDING 2. Percentage of staff agreeing that their role makes a difference to patients

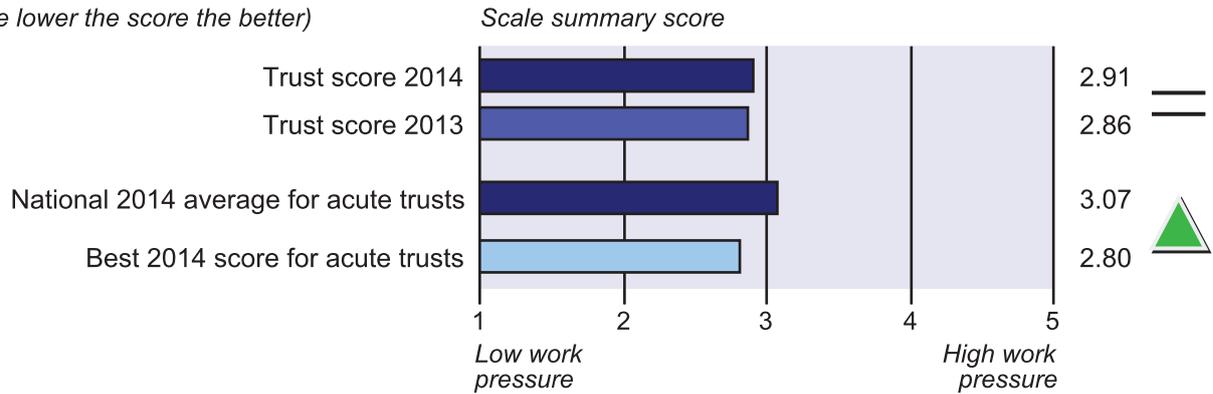

(the higher the score the better)

<sup>1</sup>At the time of sampling, 8143 staff were eligible to receive the survey. Questionnaires were sent to a random sample of 836 staff. This includes only staff employed directly by the trust (i.e. excluding staff working for external contractors). It excludes bank staff unless they are also employed directly elsewhere in the trust. When calculating the response rate, questionnaires could only be counted if they were received with their ID number intact, by the closing date.

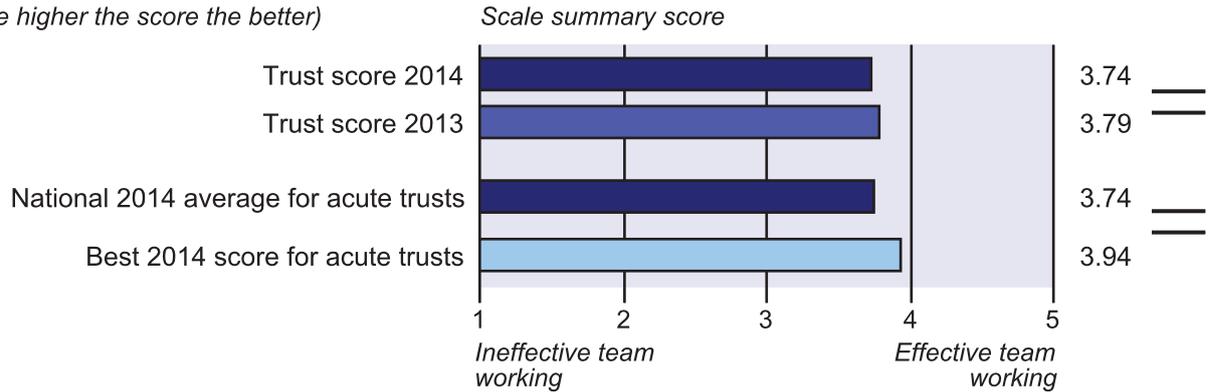

### KEY FINDING 3. Work pressure felt by staff

(the lower the score the better)

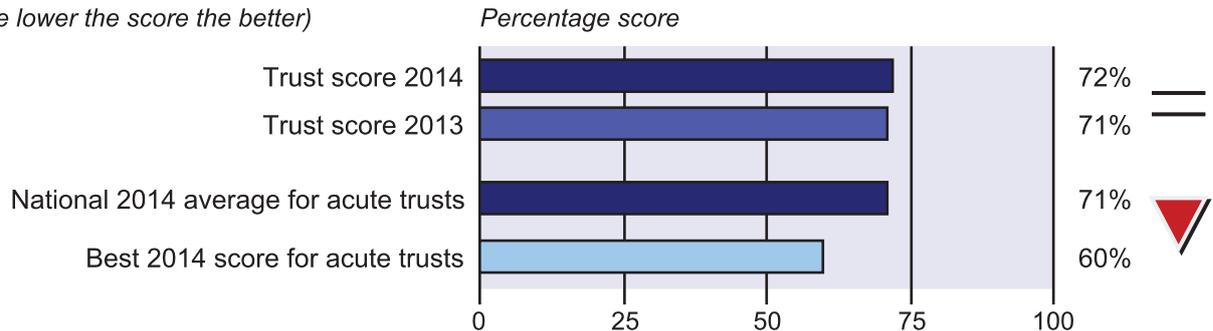

### KEY FINDING 4. Effective team working

(the higher the score the better)

### KEY FINDING 5. Percentage of staff working extra hours

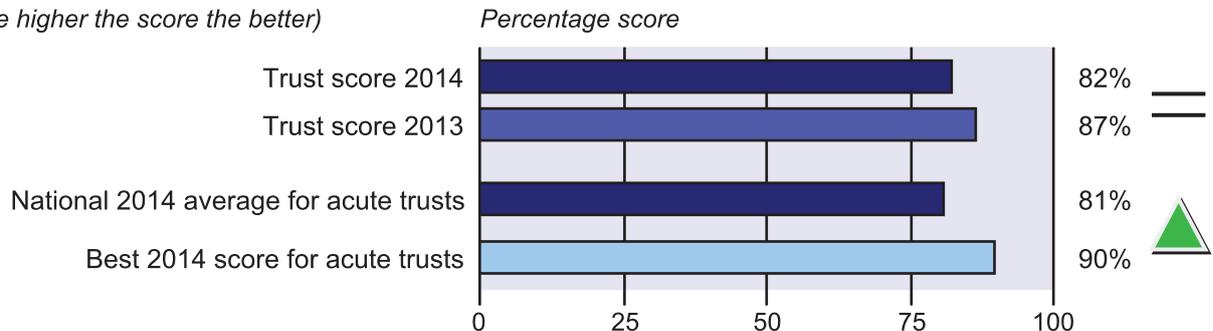

(the lower the score the better)

**STAFF PLEDGE 2: To provide all staff with personal development, access to appropriate education and training for their jobs, and line management support to enable them to fulfil their potential.**

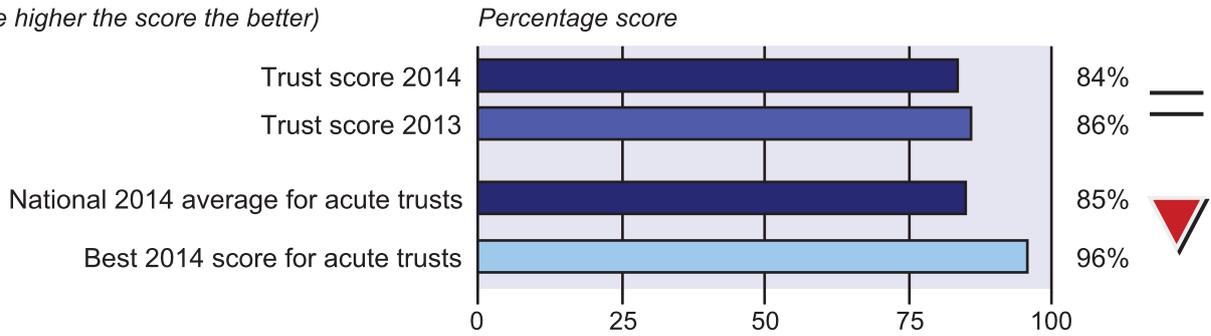

### KEY FINDING 6. Percentage of staff receiving job-relevant training, learning or development in last 12 months

(the higher the score the better)

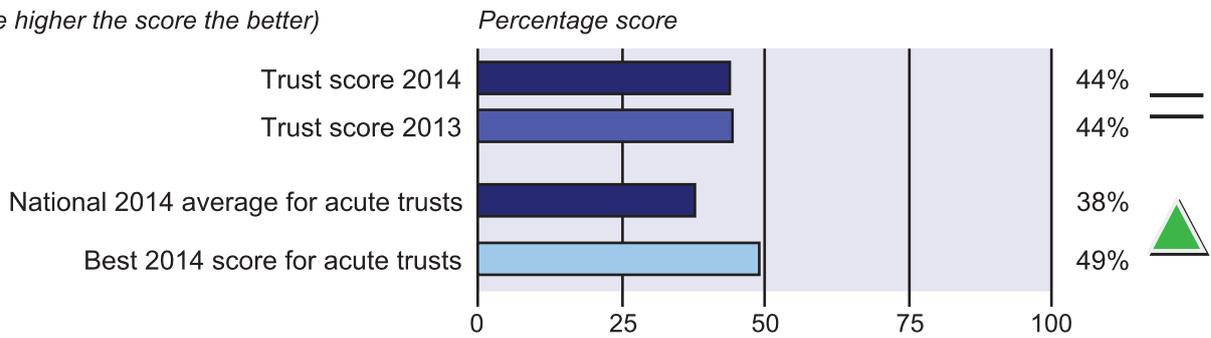

### KEY FINDING 7. Percentage of staff appraised in last 12 months

(the higher the score the better)

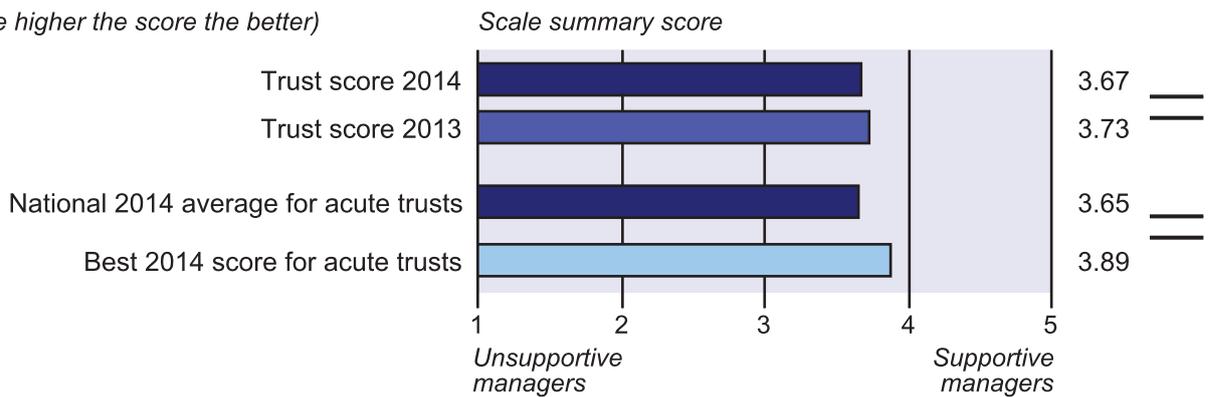

### KEY FINDING 8. Percentage of staff having well structured appraisals in last 12 months

(the higher the score the better)

### KEY FINDING 9. Support from immediate managers

(the higher the score the better)

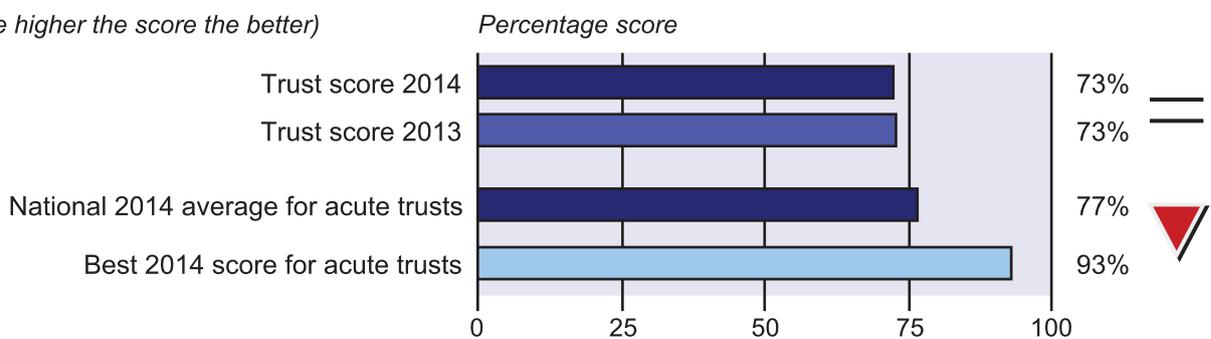

**STAFF PLEDGE 3: To provide support and opportunities for staff to maintain their health, well-being and safety.**

### Occupational health and safety

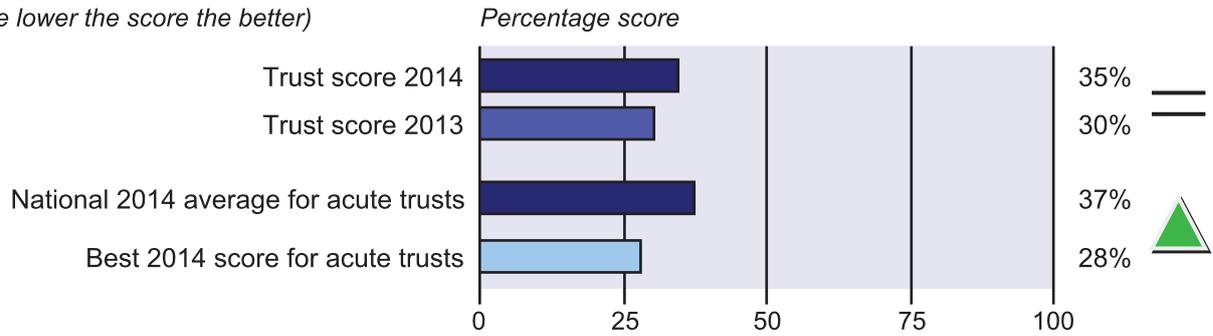

### KEY FINDING 10. Percentage of staff receiving health and safety training in last 12 months

(the higher the score the better)

### KEY FINDING 11. Percentage of staff suffering work-related stress in last 12 months

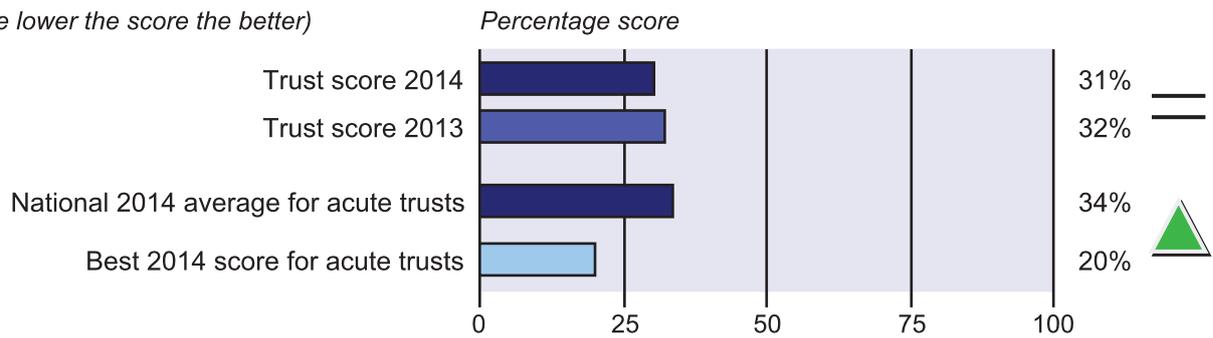

(the lower the score the better)

## Errors and incidents

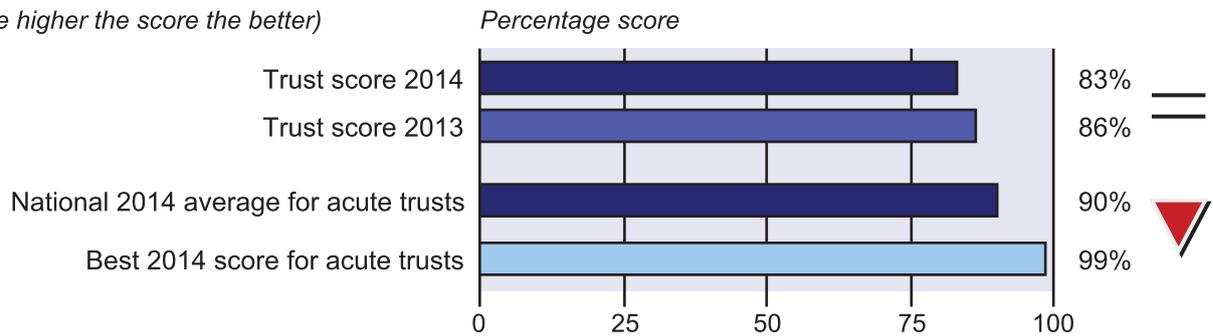

### KEY FINDING 12. Percentage of staff witnessing potentially harmful errors, near misses or incidents in last month

(the lower the score the better)

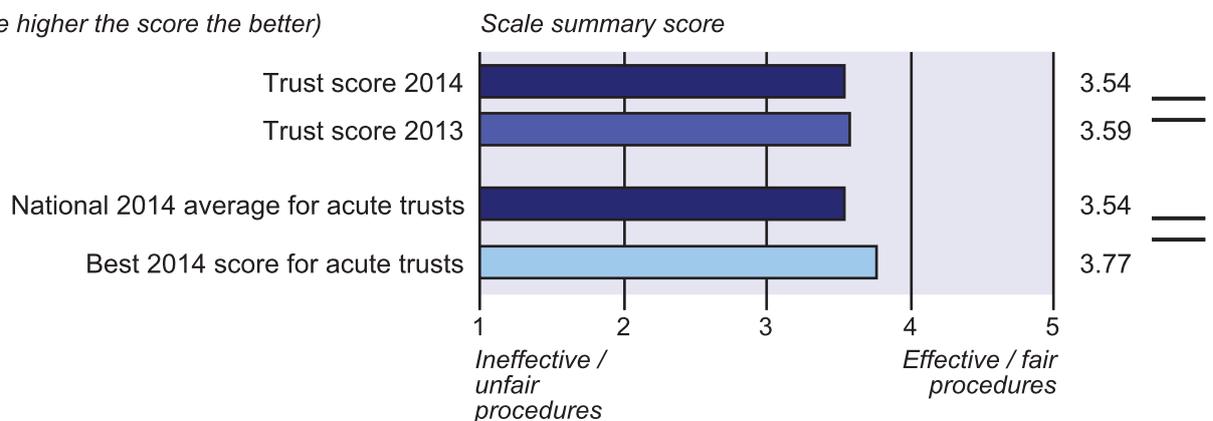

### KEY FINDING 13. Percentage of staff reporting errors, near misses or incidents witnessed in the last month

(the higher the score the better)

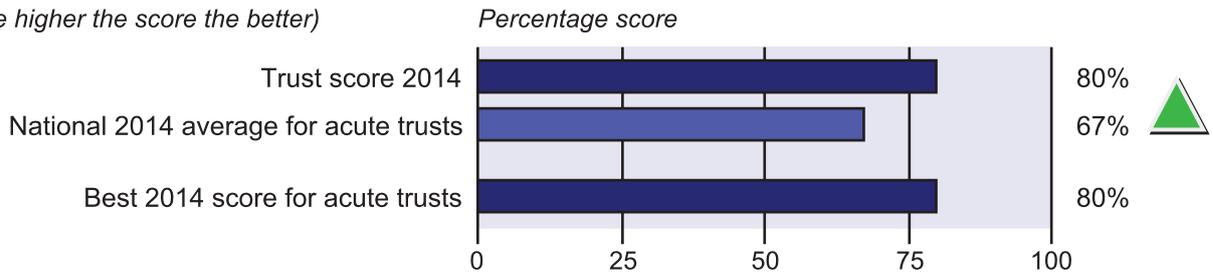

### KEY FINDING 14. Fairness and effectiveness of incident reporting procedures

(the higher the score the better)

**KEY FINDING 15. Percentage of staff agreeing that they would feel secure raising concerns about unsafe clinical practice**

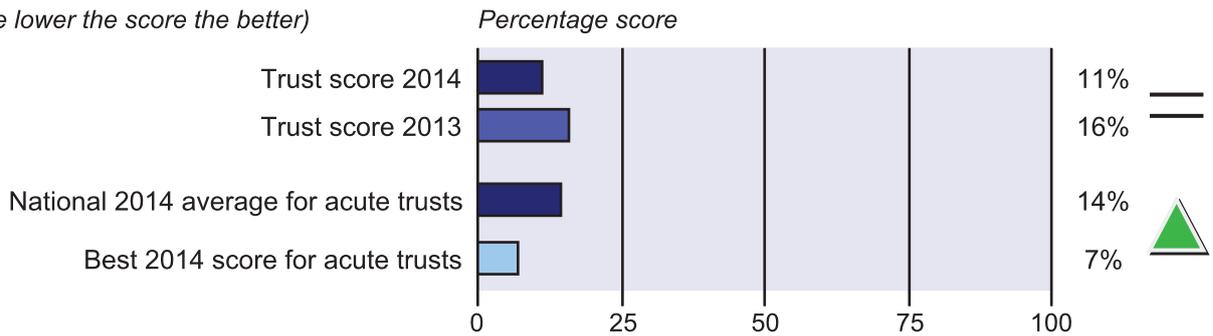

*(the higher the score the better)*

**Violence and harassment**

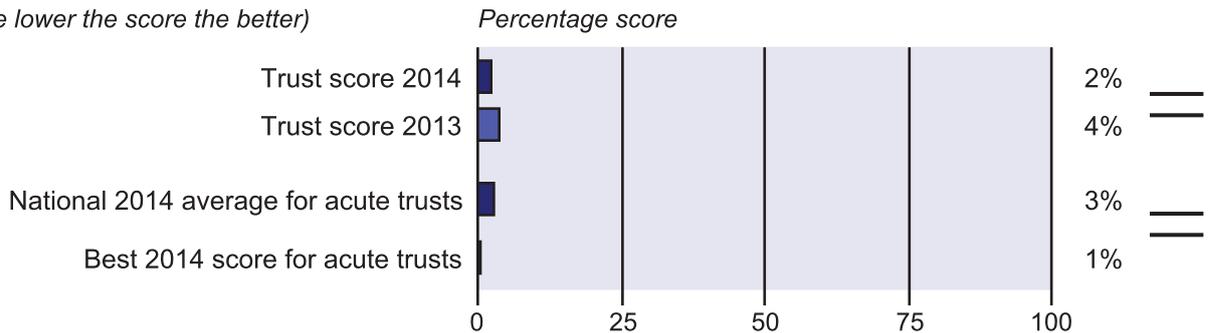

**KEY FINDING 16. Percentage of staff experiencing physical violence from patients, relatives or the public in last 12 months**

*(the lower the score the better)*

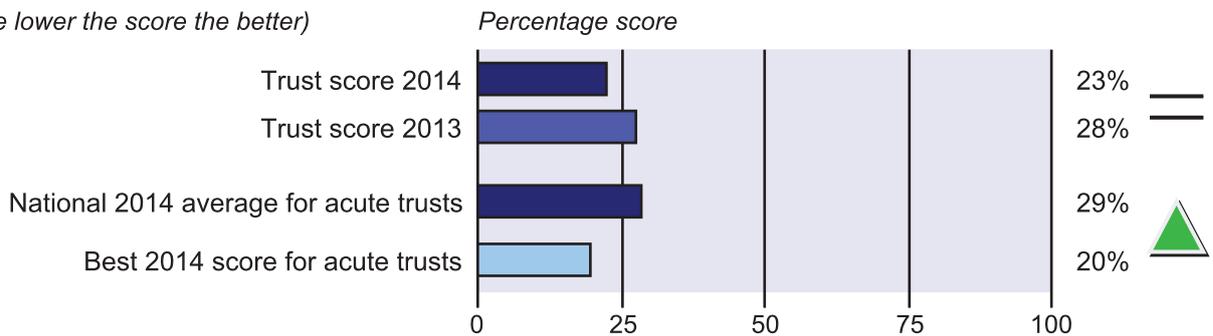

**KEY FINDING 17. Percentage of staff experiencing physical violence from staff in last 12 months**

*(the lower the score the better)*

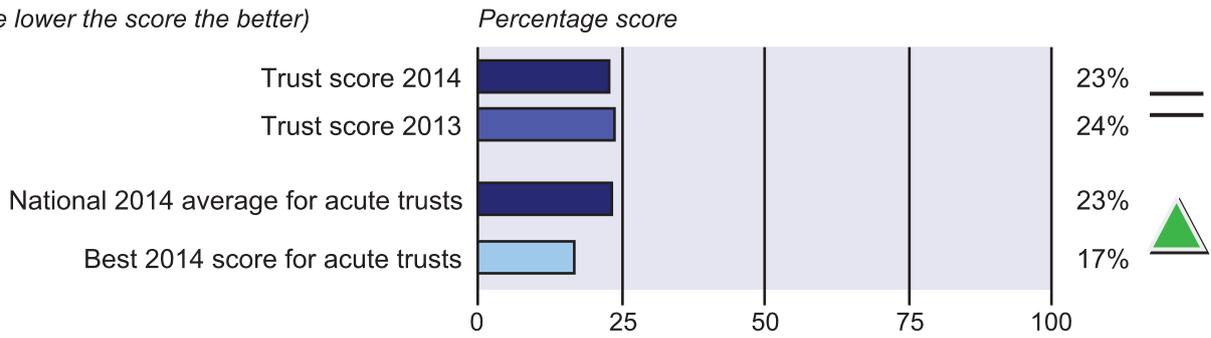

**KEY FINDING 18. Percentage of staff experiencing harassment, bullying or abuse from patients, relatives or the public in last 12 months**

*(the lower the score the better)*

**KEY FINDING 19. Percentage of staff experiencing harassment, bullying or abuse from staff in last 12 months**

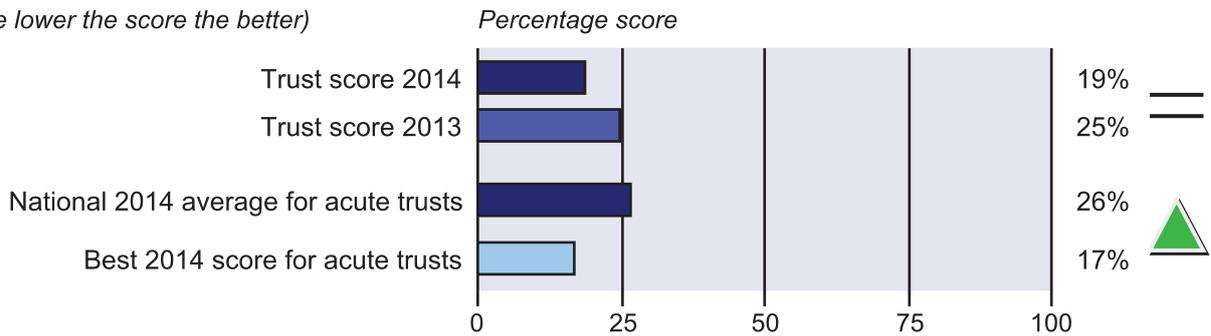

*(the lower the score the better)*

**Health and well-being**

**KEY FINDING 20. Percentage of staff feeling pressure in last 3 months to attend work when feeling unwell**

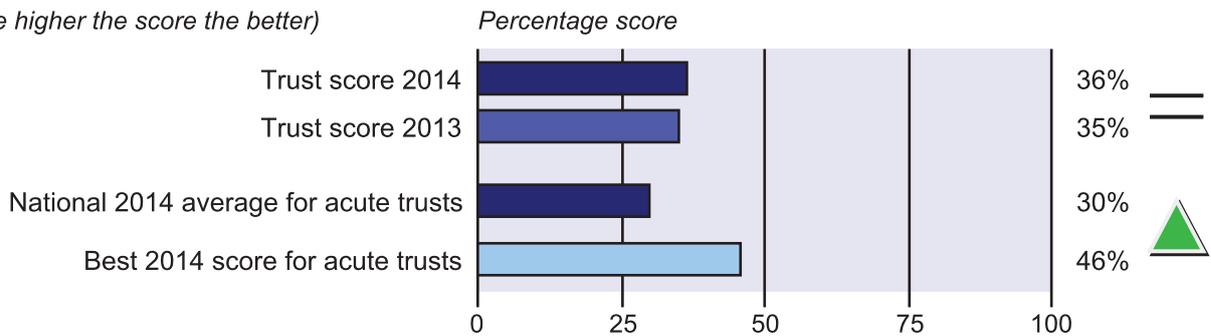

*(the lower the score the better)*

**STAFF PLEDGE 4: To engage staff in decisions that affect them, the services they provide and empower them to put forward ways to deliver better and safer services.**

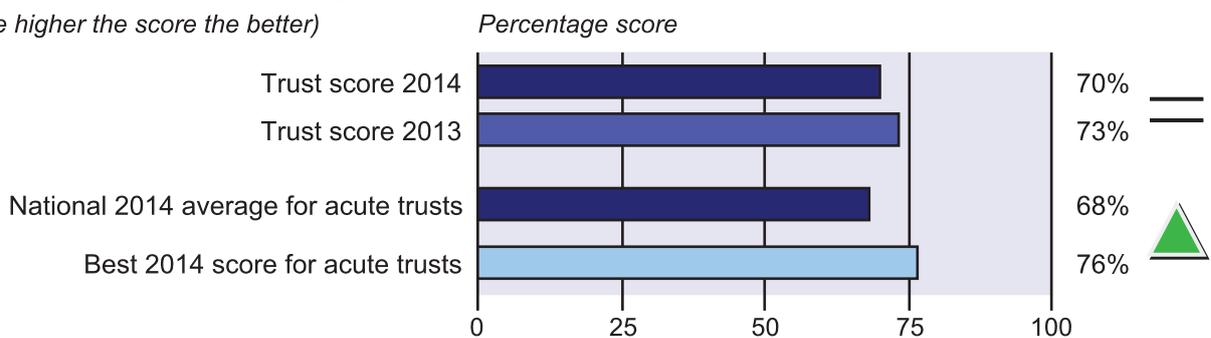

**KEY FINDING 21. Percentage of staff reporting good communication between senior management and staff**

*(the higher the score the better)*

**KEY FINDING 22. Percentage of staff able to contribute towards improvements at work**

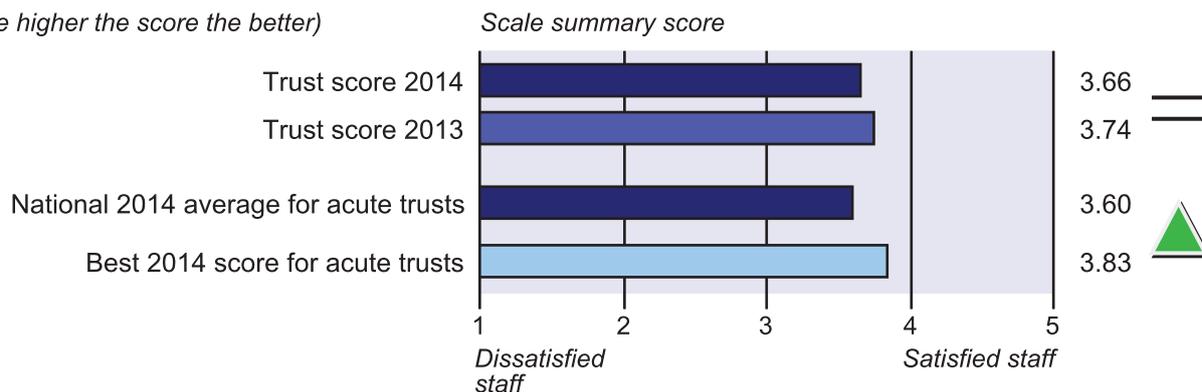

*(the higher the score the better)*

## ADDITIONAL THEME: Staff satisfaction

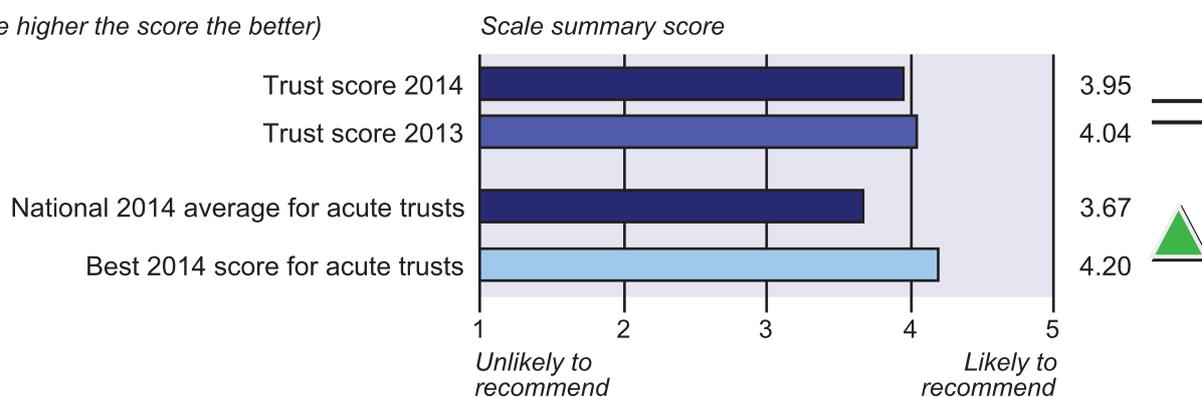

### KEY FINDING 23. Staff job satisfaction

(the higher the score the better)

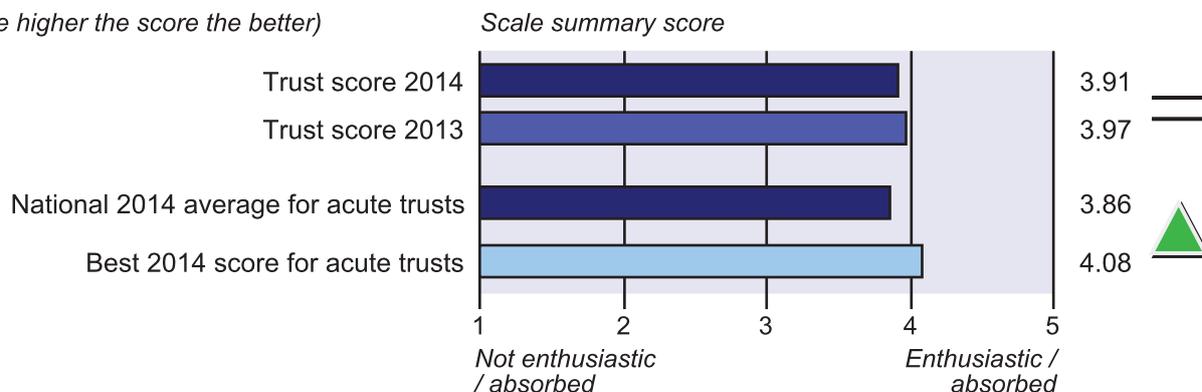

### KEY FINDING 24. Staff recommendation of the trust as a place to work or receive treatment

(the higher the score the better)

### KEY FINDING 25. Staff motivation at work

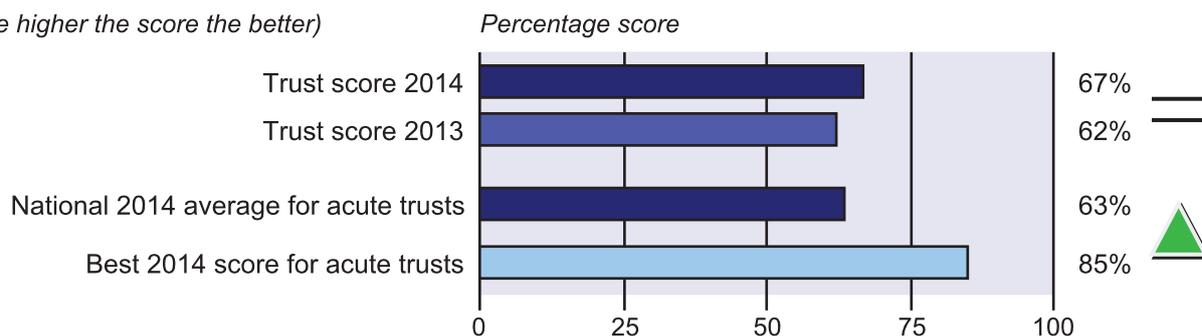

(the higher the score the better)

## ADDITIONAL THEME: Equality and diversity

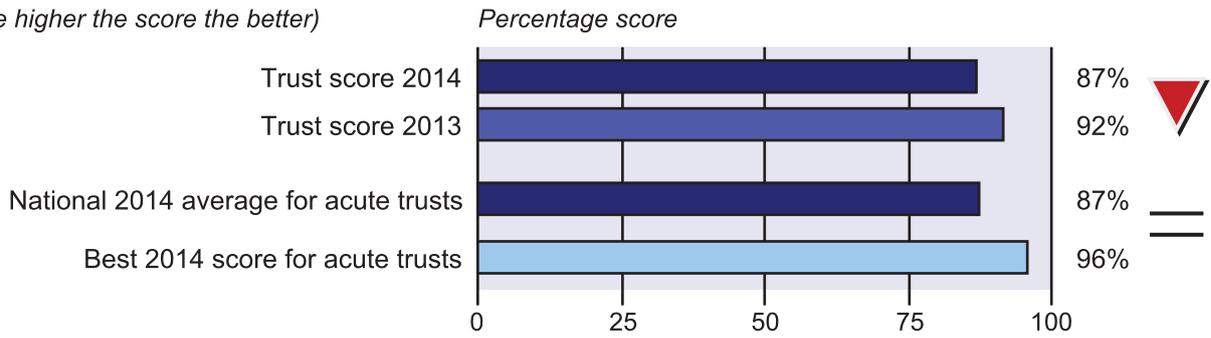

### KEY FINDING 26. Percentage of staff having equality and diversity training in last 12 months

(the higher the score the better)

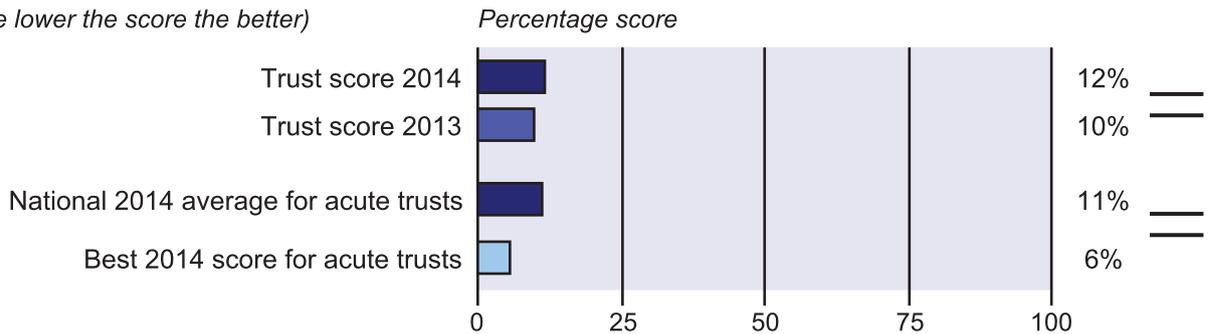

**KEY FINDING 27. Percentage of staff believing the trust provides equal opportunities for career progression or promotion**

*(the higher the score the better)*

**KEY FINDING 28. Percentage of staff experiencing discrimination at work in last 12 months**

*(the lower the score the better)*

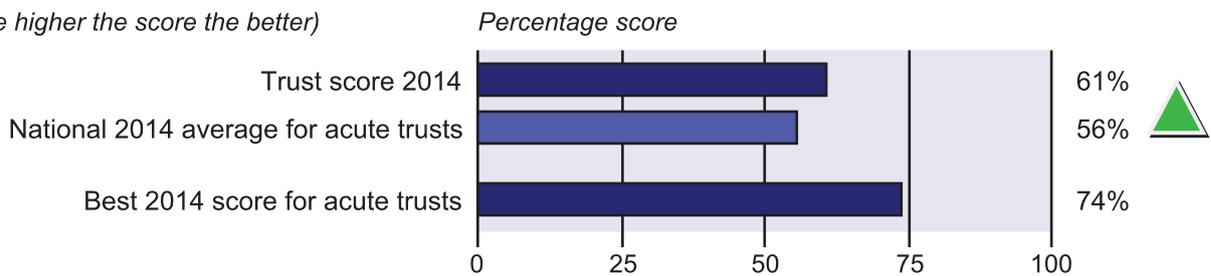

**ADDITIONAL THEME: Patient experience measures**

**Patient/Service user experience Feedback**

**KEY FINDING 29. Percentage of staff agreeing that feedback from patients/service users is used to make informed decisions in their directorate/department**

*(the higher the score the better)*

## 5. Key Findings by work group characteristics

Tables 5.1 to 5.4 show the Key Findings at University Hospitals Birmingham NHS Foundation Trust broken down by work group characteristics: occupational groups, locations, locations and full time/part time staff.

Technical notes:

- As in previous years, there are two types of Key Finding:
  - percentage scores, i.e. percentage of staff giving a particular response to one, or a series of, survey questions
  - scale summary scores, calculated by converting staff responses to particular questions into scores. For each of these scale summary scores, the minimum score is always 1 and the maximum score is 5
- For most of the Key Findings presented in tables 5.1 to 5.4, the higher the score the better. However, there are some Key Findings for which a high score would represent a negative result. For these Key Findings, marked with an asterisk and shown in italics, the lower the score the better.
- Care should be taken not to over interpret the findings if scores differ slightly. For example, if for 'KF8. % having well structured appraisals in last 12 months' staff in Group A score 45%, and staff in Group B score 40%, it may appear that a higher proportion of staff in Group A have had well structured appraisals than staff in Group B. However, because of small numbers in these sub-groups, it is probably not statistically significant. A more sensible interpretation would be that, on average, similar proportions of staff in Group A and B have well structured appraisals.
- Please note that, unlike the overall Trust scores, data in this section are not weighted.
- Please also note that all percentage scores are shown to the nearest 1%. This means scores of less than 0.5% are displayed as 0%.
- In order to preserve anonymity of individual staff, a score is replaced with a dash if the staff group in question contributed fewer than 11 responses to that score.

**Table 5.1: Key Findings for different occupational groups**

	Adult / General Nurses	Nursing / Healthcare Assistants	Medical / Dental	General Management	Other Scientific & Technical	Admin & Clerical	Central Functions / Corporate Services	Maintenance / Ancillary
<b>STAFF PLEDGE 1: To provide all staff with clear roles, responsibilities and rewarding jobs.</b>								
KF1. % feeling satisfied with the quality of work and patient care they are able to deliver	80	100	85	85	79	79	92	94
KF2. % agreeing that their role makes a difference to patients	93	100	96	81	89	85	87	88
* KF3. <i>Work pressure felt by staff</i>	3.02	2.63	2.92	2.69	2.90	2.77	2.73	2.71
KF4. Effective team working	3.73	3.74	3.78	4.10	3.77	3.76	3.83	3.95
* KF5. <i>% working extra hours</i>	82	57	94	88	75	44	57	53
<b>STAFF PLEDGE 2: To provide all staff with personal development, access to appropriate education and training for their jobs, and line management support to enable them to fulfil their potential.</b>								
KF6. % receiving job-relevant training, learning or development in last 12 mths	85	90	81	93	80	76	70	82
KF7. % appraised in last 12 mths	84	68	96	88	84	84	86	71
KF8. % having well structured appraisals in last 12 mths	47	37	42	47	44	40	48	48
KF9. Support from immediate managers	3.82	3.89	3.50	4.04	3.68	3.63	3.98	3.49
<b>STAFF PLEDGE 3: To provide support and opportunities for staff to maintain their health, well-being and safety.</b>								
<b>Occupational health and safety</b>								
KF10. % receiving health and safety training in last 12 mths	66	100	73	63	95	63	62	84
* KF11. <i>% suffering work-related stress in last 12 mths</i>	34	35	31	38	30	35	19	24
<b>Errors and incidents</b>								
* KF12. <i>% witnessing potentially harmful errors, near misses or incidents in last mth</i>	36	34	35	25	50	17	5	28
KF13. % reporting errors, near misses or incidents witnessed in the last mth	91	-	89	-	-	64	-	55
KF14. Fairness and effectiveness of incident reporting procedures	3.56	3.74	3.45	3.63	3.56	3.43	3.59	3.64
KF15. % agreeing that they would feel secure raising concerns about unsafe clinical practice	87	92	78	60	55	72	88	72
<b>Number of respondents</b>	99	29	52	16	20	63	21	38

Due to low numbers of respondents, no scores are shown for the following occupational groups: Other Registered Nurses, Occupational Therapy, Physiotherapy, Radiography, Other Allied Health Professionals and Commissioning Staff.

## 6. Key Findings by demographic groups

Tables 6.1 and 6.2 show the Key Findings at University Hospitals Birmingham NHS Foundation Trust broken down by different demographic groups: age group, gender, disability and ethnic background.

Technical notes:

- As in previous years, there are two types of Key Finding:
  - percentage scores, i.e. percentage of staff giving a particular response to one, or a series of, survey questions
  - scale summary scores, calculated by converting staff responses to particular questions into scores. For each of these scale summary scores, the minimum score is always 1 and the maximum score is 5
- For most of the Key Findings presented in tables 6.1 and 6.2, the higher the score the better. However, there are some Key Findings for which a high score would represent a negative result. For these Key Findings, marked with an asterisk and shown in italics, the lower the score the better.
- Care should be taken not to over interpret the findings if scores differ slightly. For example, if for 'KF8. % having well structured appraisals in last 12 months' staff in Group A score 45%, and staff in Group B score 40%, it may appear that a higher proportion of staff in Group A have had well structured appraisals than staff in Group B. However, because of small numbers in these sub-groups, it is probably not statistically significant. A more sensible interpretation would be that, on average, similar proportions of staff in Group A and B have well structured appraisals.
- Please note that, unlike the overall Trust scores, data in this section are not weighted.
- Please also note that all percentage scores are shown to the nearest 1%. This means scores of less than 0.5% are displayed as 0%.
- In order to preserve anonymity of individual staff, a score is replaced with a dash if the demographic group in question contributed fewer than 11 responses to that score.

**Table 6.1: Key Findings for different age groups**

	Age group

## Appendix 1

### Key Findings for University Hospitals Birmingham NHS Foundation Trust benchmarked against other acute trusts

Technical notes:

- The first column in table A1 shows the trust's scores for each of the Key Findings. The same data are displayed in section 3 and 4 of this report.
- The second column in table A1 shows the 95% confidence intervals around the trust's scores for each of the Key Findings.
- The third column in table A1 shows the average (median) score for each of the Key Findings for acute trusts. The same data are displayed in section 3 and 4 of this report.
- The fourth and fifth columns in table A1 show the thresholds for the lowest and highest 20% for each of the Key Findings for acute trusts. The data are used to describe comparisons with other trusts as displayed in section 3 and 4 of this report.
- The sixth column in table A1 shows the lowest score attained for each of the Key Findings by an acute trust.
- The seventh column in table A1 shows the highest score attained for each of the Key Findings by an acute trust.
- For most of the Key Findings presented in table A1, the higher the score the better. However, there are some Key Findings for which a high score would represent a negative score. For these Key Findings, marked with an asterisk and shown in italics, the lower the score the better.
- Please note that the data presented in table A1 are rounded to the nearest whole number for percentage scores and to two decimal places for scale summary scores.

**Table A1: Key Findings for University Hospitals Birmingham NHS Foundation Trust benchmarked against other acute trusts**

	Your trust		National scores for acute trusts				
	Trust score	95% Confidence Interval	Median score	Threshold for lowest 20%	Threshold for highest 20%	Lowest score attained	Highest score attained

## Appendix 2

### Changes to the Key Findings since the 2012 and 2013 staff surveys

Technical notes:

- For most of the Key Findings presented in tables A2.1 and A2.2, the higher the score the better. However, there are some Key Findings for which a high score would represent a negative result. For these Key Findings, marked with an asterisk and shown in italics, the lower the score the better.
- It is likely that we would see some small change simply due to sample differences between the two years. The final column of the tables shows whether the change in your trust is statistically significant or not. If a change is not significant, then there is no evidence of a real change in the trust score.
- Please note that the trust scores and change scores presented in tables A2.1 and A2.2 are rounded to the nearest whole number for percentage scores and to two decimal places for scale summary scores.
- All percentage scores are shown to the nearest 1%. This means scores of less than 0.5% are displayed as 0%.
- In certain cases a dash (-) appears in Table A2.1 or A2.2. This is either because the Key Finding was not calculated in previous years, or there have been changes in how the Key Finding has been calculated this year.

---

To enable comparison between years, scores from 2013 and 2012 have been re-calculated and re-weighted using the 2014 formulae, so may appear slightly different from figures in previous feedback reports. More details about these changes can be found in the document ***Making sense of your staff survey data***, which can be downloaded from [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com).

**Table A2.1: Changes in the Key Findings for University Hospitals Birmingham NHS Foundation Trust since 2013 survey**

## Appendix 3

### Data tables: 2014 Key Findings and the responses to all survey questions

For each of the 29 Key Findings (Table A3.1) and each individual survey question in the core version of the questionnaire (Table A3.2), this appendix presents your trust's 2014 survey response, the average (median) 2014 response for acute trusts, and your trust's 2013 survey response (where applicable).

In Table A3.1, the question numbers used to calculate the 29 Key Findings are also listed in the first column.

In Table A3.2, the responses to the survey questions are presented in the order that they appear within the core version of the 2014 questionnaire.

#### Technical notes:

- In certain cases a dash (-) appears in the 'Your Trust in 2013' column in Tables A3.1 or A3.2. This is because of changes to the format of survey questions or the calculation of the Key Findings so comparisons with the 2013 score are not possible.
- In certain cases a dash (-) appears in Tables A3.1 or A3.2. This is in order to preserve anonymity of individual staff, where there were fewer than 11 responses to a survey question or Key Finding.
- Please note that the figures reported in tables A3.1 and A3.2 are un-weighted, and, as a consequence there may be some slight differences between these figures and the figures reported in sections 3 and 4 and Appendix 2 of this report, which are weighted according to the occupational group profile of a typical acute trust.
- More details about the calculation of Key Findings and the weighting of data can be found in the document ***Making sense of your staff survey data***, which can be downloaded from: [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com)

**Table A3.1: Key Findings for University Hospitals Birmingham NHS Foundation Trust benchmarked against other acute trusts**

	Question number(s)	Your Trust in 2014	Average (median) for acute trusts	Your Trust in 2013
<b>STAFF PLEDGE 1: To provide all staff with clear roles, responsibilities and rewarding jobs.</b>				
KF1. % feeling satisfied with the quality of work and patient care they are able to deliver	Q6d, 9a, 9c	83	77	85

<b>Patient/Service user experience Feedback</b>				
KF29. % agreeing feedback from patients/service users is used to make informed decisions in their directorate/department	Q13a, 13c	59	56	-

**Table A3.2: Survey questions benchmarked against other acute trusts**

		Your Trust in 2014	Average (median) for acute trusts	Your Trust in 2013
<b>Areas of training, learning and development</b>				
% having received training, learning or development in the following areas in the last 12 months:				
Q1a	Health and safety training	73	77	74
Q1b	Equality and diversity training	67	63	63
Q1c	How to prevent or handle violence and aggression to staff, patients / service users	35	40	35
Q1d	Infection control (e.g. guidance on hand-washing, MRSA, waste management, disposal of sharps / needles)	83	77	88
Q1e	How to handle confidential information about patients / service users	94	81	91
Q1f	How to deliver a good patient / service user experience	53	50	51
Q1g	Any other job-relevant training, learning or development	78	76	81
<b>Job-relevant training, learning and development</b>				
% who had received training, learning and development in the last 12 months (YES to any part of Q1a-g) agreeing / strongly agreeing that:				
Q2a	It has helped me to do my job more effectively	70	68	78
Q2b	It has helped me stay up-to-date with professional requirements	80	75	81
Q2c	It has helped me to deliver a better patient / service user experience	70	65	73
<b>Appraisals</b>				
Q3a	% saying they had received an appraisal or performance development review in the last 12 months	83	85	86
If (YES to Q3a) had received an appraisal or performance development review in the last 12 months:				
Q3b	% saying their appraisal or development review had helped them to improve how they do their job	62	53	58
Q3c	% saying their appraisal or development review had helped them agree clear objectives for their work	80	78	80
Q3d	% saying their appraisal or development review had made them feel their work was valued by the organisation	70	63	69
Q3e	% saying their appraisal or development review had identified training, learning or development needs	72	70	72
If (YES to Q3a) had received an appraisal or performance development review AND (YES to Q3e) training, learning or development needs identified as part of their appraisal or development review:				
Q3f	% saying their manager supported them to receive training, learning or development	86	87	89
<b>Team-based working</b>				
Q4a	% working in a team	95	96	97
If (YES to Q4a) they work in a team:				
Q4b	% agreeing / strongly agreeing team members have a set of shared objectives	80	78	81
Q4c	% agreeing / strongly agreeing team members often meet to discuss the team's effectiveness	59	59	59
Q4d	% agreeing / strongly agreeing the team members have to communicate closely with each other to achieve the team's objectives	81	79	82
<b>Staff motivation at work</b>				
% saying often or always to the following statements:				
Q5a	"I look forward to going to work"	54	53	56
Q5b	"I am enthusiastic about my job"	74	70	74
Q5c	"Time passes quickly when I am working"	76	76	80

<b>Job design</b>				
% agreeing / strongly agreeing with the following statements:				
Q6a	"I have clear, planned goals and objectives for my job"	82	75	79
Q6b	"I always know what my work responsibilities are"	91	86	91
Q6c	"I am trusted to do my job"	92	91	95
Q6d	"I am able to do my job to a standard I am personally pleased with"	85	79	85
<b>Opportunities to develop potential at work</b>				
% agreeing / strongly agreeing with the following statements:				
Q7a	"There are frequent opportunities for me to show initiative in my role"	75	70	74
Q7b	"I am able to make suggestions to improve the work of my team / department"	73	74	76
Q7c	"I am involved in deciding on changes introduced that affect my work area / team / department"	50	53	52
Q7d	"I am able to make improvements happen in my area of work"	59	56	57
Q7e	"I am unable to meet all the conflicting demands on my time at work"	43	44	42
Q7f	"I have adequate materials, supplies and equipment to do my work"	68	57	68
Q7g	"There are enough staff at this organisation for me to do my job properly"	37	29	39
<b>Staff job satisfaction</b>				
% satisfied or very satisfied with the following aspects of their job:				
Q8a	"The recognition I get for good work"	52	49	55
Q8b	"The support I get from my immediate manager"	67	65	70
Q8c	"The freedom I have to choose my own method of working"	69	65	67
Q8d	"The support I get from my work colleagues"	76	78	80
Q8e	"The amount of responsibility I am given"	78	74	81
Q8f	"The opportunities I have to use my skills"	76	71	77
Q8g	"The extent to which my organisation values my work"	49	42	50
Q8h	"My level of pay"	36	32	43
<b>Contribution to patient care</b>				
% agreeing / strongly agreeing with the following statements:				
Q9a	"I am satisfied with the quality of care I give to patients / service users"	86	83	89
Q9b	"I feel that my role makes a difference to patients / service users"	91	91	94
Q9c	"I am able to deliver the patient care I aspire to"	73	69	76

		Your Trust in 2014	Average (median) for acute trusts	Your Trust in 2013
<b>Your managers</b>				
% agreeing / strongly agreeing with the following statements:				
Q10a	"My immediate manager encourages those who work for her/him to work as a team"	72	70	71
Q10b	"My immediate manager can be counted on to help me with a difficult task at work"	69	69	72
Q10c	"My immediate manager gives me clear feedback on my work"	61	57	61
Q10d	"My immediate manager asks for my opinion before making decisions that affect my work"	53	51	53
Q10e	"My immediate manager is supportive in a personal crisis"	72	72	72
Q11a	"I know who the senior managers are here"	84	81	88
Q11b	"Communication between senior management and staff is effective"	45	37	45
Q11c	"Senior managers here try to involve staff in important decisions"	35	30	32
Q11d	"Senior managers act on staff feedback"	34	28	36
Q11e	"Senior managers where I work are committed to patient care"	62	54	62
<b>Your organisation</b>				
% agreeing / strongly agreeing with the following statements:				
Q12a	"Care of patients / service users is my organisation's top priority"	81	70	81
Q12b	"My organisation acts on concerns raised by patients / service users"	81	71	81
Q12c	"I would recommend my organisation as a place to work"	70	58	75
Q12d	"If a friend or relative needed treatment, I would be happy with the standard of care provided by this organisation"	82	65	82
<b>Patient / service user experience measures</b>				
"% saying 'Yes'"				
Q13a	"Is patient / service user experience feedback collected within your directorate / department?"	66	73	-
"% agreeing or strongly agreeing that they receive regular updates on patient / service user experience feedback in their directorate / department"				
Q13b	"I receive regular updates on patient / service user experience feedback in my directorate / department"	60	59	-
"% agreeing or strongly agreeing that feedback from patients / service users is used to make informed decisions within my directorate / department"				
Q13c	"Feedback from patients / service users is used to make informed decisions within my directorate / department"	59	56	-
<b>Health and well-being</b>				
% agreeing / strongly agreeing with the following statements:				
Q14a	"In general, my job is good for my health"	43	39	49
Q14b	"My immediate manager takes a positive interest in my health and well-being"	54	54	55
Q14c	"My organisation takes positive action on health and well-being"	44	44	51
<b>Health and well-being</b>				
Q15a	% saying in the last three months they had gone to work despite not feeling well enough to perform their duties:	51	66	64
(If YES to Q15a): % saying they...				
Q15b	...had felt pressure from their manager to come to work	26	32	30

## Appendix 4

### Other NHS staff survey 2014 documentation

This report is one of several ways in which we present the results of the 2014 national NHS staff survey:

- 1) A separate summary report of the main 2014 survey results for University Hospitals Birmingham NHS Foundation Trust can be downloaded from: [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com). The summary report is a shorter version of this feedback report, which may be useful for wider circulation within the trust.
- 2) A national briefing document, describing the national Key Findings from the 2014 survey and making comparisons with previous years, will be available from [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com) in March 2013.
- 3) The document ***Making sense of your staff survey data***, which can be downloaded from [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com). This includes details about the calculation of Key Findings and the data weighting method used.
- 4) A series of detailed spreadsheets are available on request from [www.nhsstaffsurveys.com](http://www.nhsstaffsurveys.com). In these detailed spreadsheets you can find:
  - responses of staff in your trust to every core survey question
  - responses in every trust in England
  - the average responses for each major trust type (e.g. all acute trusts, all ambulance trusts)
  - the average trust responses within each strategic health authority
  - the average responses for each major occupational and demographic group within the major trust types
